8 I. INTRODUCTION

9 On January 9, 2008, the director of water resources ("Director") issued an order
10 promulgating proposed modifications to Chapter 5 of the management plan for the Prescott active
11 management area for the third management period, 2000-2010 ("Third Management Plan"), for
12 the purpose of adding a modified Non-Per Capita Conservation Program ("NPCCP") as required
13 by A.R.S. § 45-566.01. A public hearing on the proposed modifications was held in Prescott,
14 Arizona on March 5, 2008. The hearing record remained open for the submission of written
15 comments until March 5, 2008 at 5:00 p.m.

16 As required by A.R.S. § 45-571(A), the Director has filed in the Department of Water
17 Resources ("Department") a written summary of the public hearing and findings with respect to
18 matters considered during the hearing ("Summary of Hearing and Findings"). The Director
19 indicated in the Summary of Hearing and Findings that the following two changes would be made
20 to the proposed modifications in response to public comments: (1) in section 5.7.1.2.7 of the
21 Third Management Plan, add language stating the Department will establish an advisory
22 committee consisting of stakeholders to assist the Director in evaluating the effectiveness of the
23 modified NPCCP; and (2) in Appendix 5H, change the language describing the conservation
24 measures entitled "Market Surveys to Identify Information Needs/Assess Success of Messages"
25 and "Distribution Plan for Water Conservation Materials" to allow a provider implementing one
26 of those measures to replace the measure with another measure in Categories 1 through 7,

1 provided that the replacement measure is appropriate for the provider's service area as reflected in
2 the provider's approved provider profile. The proposed modifications with the changes referred
3 to above are shown in the document attached hereto entitled "Modifications to Chapter 5,
4 Municipal Conservation Program, Third Management Plan, Prescott Active Management Area,
5 April 2008."

6 **II. ORDER OF ADOPTION**

7 **IT IS HEREBY ORDERED:**

8 1. That the modifications to the Third Management Plan shown in the document
9 attached hereto entitled "Modifications to Chapter 5, Municipal Conservation Program, Third

11 2. That a summary of the modifications, findings and this Order shall be published
12 once each week for two consecutive weeks in a newspaper of general circulation in each county in
13 which the Prescott Active Management Area is located.

14 3. That pursuant to A.R.S. § 45-114(C), any person may file a motion for rehearing
15 on or a review of the modifications no later than May 19, 2008 at 5:00 p.m. Any motion for
16 rehearing or review must be filed with Kathy Donoghue, Docket Supervisor, Arizona Department
17 of Water Resources, 3550 North Central Avenue, Phoenix, Arizona 85012.

18 4. That this Order shall become effective for the purpose of judicial review as
19 follows:

20 a. If no person files a motion for rehearing or review within the time allowed under
21 paragraph 3 of this section, this order shall become final for the purpose of judicial review on
22 May 20, 2008.

23 b. If any person files a timely motion for rehearing or review, the Director will issue a
24 decision either granting or denying the motion and may make changes to the modifications after
25 rehearing or review. After the Director issues a decision on all motions for rehearing or review,
26 the Director will issue a second order of adoption and publish notice of that order once each week

1 for two consecutive weeks in a newspaper of general circulation in each county in which the
2 Prescott Active Management Area is located. The second order of adoption shall become final for
